## NL SMART RIDE

This free, on-demand, ride-hailing public shuttle service is available through an app called Spare Rider at the App Store for iPhone, allowing users to hail a ride to any location within the city limits.

All others, please call the Southeast Area Transit District (SEAT)'s dedicated SmartRide service line: **860-934-5234**.

**NOTE** – This service ends at 8:00 p.m. This isn't an issue on Friday night because parking is right behind The Hygienic Art Park. On Saturday night people can meet in the lobby of The Garde Arts Center to walk to the Water St. Garage (2/10ths of a mile) or volunteers will be on hand to give a lift to anyone who needs one.
